Subject:	Great Week

Ehud,

Thank you for all of the support you've given me this past week.

After our announcement, hundreds of supporters like you stepped forward to join our team. I'm truly humbled by your encouragement and well wishes. A heartfelt thank you!

If we're going to ensure our national security abroad and promote economic security here at home, we need to take this seat. David Jolly campaigned on creating jobs and improving the economy, but his record tells a different story.

Instead of working to move our country forward, he and the John Boehner Congress showed their true priorities: restricting a woman's right to make her own healthcare decisions, attempting to defund the Department of Homeland Security, and trying to repeal Obamacare almost 60 times.

Help me fight David Jolly's out of touch partisan priorities with a $5, $25, or $100 donation.

We're just starting this journey together, but I need your help now.

Give whatever you're able to help launch our campaign.

Thanks for your help.

Best,
